Introducing the [ABC 1234] Notebook PC with NEW Intel® Centrino™ Mobile Technology

The [ABC 1234] notebook featuring Intel® Centrino™ mobile technology offers the headroom to support not only today's software, but also tomorrow's software—providing increased return on your investment. It provides breakthrough mobile performance, integrated wireless LAN capability and enables extended battery life in a thinner, sleeker notebook design¹. Designed for productivity, it features a brilliant LCD display, a swappable bay for removable storage, and USB 2.0. See it today.

Intel, Intel Centrino and Intel logos are trademarks or registered trademarks of Intel Corporation or its subsidiaries in the United States and other countries.

¹ Wireless connectivity and some features may require you to purchase or download additional software, services or external hardware. Availability of public wireless LAN access points limited. System performance measured by MobileMark™ 2002. System performance, battery life, wireless performance and functionality will vary depending on your specific hardware and software configurations. See http://www.intel.com/products/centrino/more_info for more information.
