

Greetings from Cairns

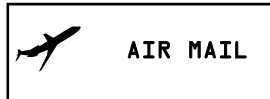

Dear Myoka,

How are you doing? Not long now until your visit to Australia. I am very excited!! We have been pen pals for ages and I can't wait to actually meet you! There are lots of exciting things that I want to show you here in Australia. I know how much you have always wanted to see rainforests and sandy beaches. So during your trip we are going to go to Cairns!

Cairns is in far north Queensland and is very hot. So you will need to remember to bring a floppy hat and lots of sunscreen. We will be able to go snorkeling on the Great Barrier Reef and here we will see lots of brightly coloured coral and unusual topical fish. We might even see a dolphin or two!

I hope that we can also go on the skyrail up to Kuranda. This would be very exciting as we would be traveling over the top of lush, green rainforest! When we reach Kuranda, we will walk through the part of the Daintree Rainforest!

I know how much you love plants so it will be very interesting for you to see the huge trees in the rainforest. Then we can go shopping and buy you lots of Australian souvenirs like a toy koala or kangaroo.

See you soon,
Shannon
