The following sites were visited by our creative team to provide additional information on our coral reefs. Selection includes photo galleries, articles, websites of other organizations.

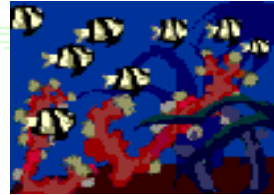

<http://www.haribon.org.ph/default.asp>
This contains the article on the recent fish kill in Bolinao.

<http://www.divegallery.com/>
This is a kid-friendly website which contains a photo gallery of reef organisms by Jeffrey N. Jeffords.

<http://www.idrc.ca/books/reports/1997/03-01e.html>
Describes alternative fishing methods to protect the coral reefs by International Development Research.

<http://www.gutsytuason.net/gallery.html>
A cool site on Philippine coral reefs by award-winning Gutsy Tuason.
