### **Q1: How do I participate in this rebate program?**

A1: Eligible Intel® Technology Provider Program members (Platinum, Gold and Registered Partners) can process a rebate request via the Intel® Reseller Center website at <http://www.intel.com/go/activate>.

### **Q2: When did this rebate program start? How long does it last?**

A2: The Intel vPro technology activation rebate is valid from April 1<sup>st</sup>, 2012 through June 30<sup>th</sup>, 2012 unless withdrawn or extended by Intel at its sole discretion. Any rebate request submitted after June 30<sup>th</sup>, 2012 (PST) will fall outside the scope of this program and will not qualify for the Activation Rebate for Q2-2012.

### **Q3: Who qualifies for this rebate?**

A3: Only Active Intel Technology Provider Program members are eligible for Intel® VPro™ technology activation incentives.

### **Q4: When will I receive my rebate payment?**

A4: The rebate(s) will be processed and paid directly to program members seven (7) to nine (9) weeks after the promotional period has ended. The Intel® Flex+ point assignment will be made in conjunction with the rebate payments.

**Q5: Who do I contact if I have a problem or question?**

A5: Questions should be directed to [activate\\_vPro@intel.com](mailto:activate_vPro@intel.com)

**Q6: Which Intel vPro technology software vendors are participating in the program?**

A6: Specific ISVs were selected based on certain criteria, which includes: that their specific Intel vPro technology-enabled software meets Intel requirements; and Intel Partner Program member feedback during the "Driving Business Change" workshops.

Go to <http://www.intel.com/go/activate> for eligible software vendors.

**Q7: What if I use a software package that is not currently included in this program?**

A7: Please submit the Intel vPro technology-enabled ISV tool you are using to [activate\\_vPro@intel.com](mailto:activate_vPro@intel.com) for consideration. The team will review these requests on a regular basis and may add additional vendors during the rebate period.

**Q8: What are the rebate amounts?**

A8: Intel will award qualifying activations to Intel Partner Program members as follows:

Intel® Technology Provider Platinum and Gold Partners:

- Up to \$10 US and 10 Intel® Flex+ points to a total of 1000 approved activations per quarter.
- When using Intel System Defense Utility (ISDU) software, which is provided to program members at no cost, there will be no Intel Flex+ points provided.

Intel® Technology Provider Registered Partner:

- Up to \$10 US to a total of 1000 approved activations per quarter.
- As an Intel® Technology Provider Registered Partner, no Intel® Flex+ points are awarded, regardless of the ISV software package being used.

**Q9: Are there any rebate limits to this program?**

A9: The rebate program limits rebates to a maximum of 1000 units activated per

program member per quarter.

The payment exception to this 1000 unit limit is for Intel® Flex+ points. The maximum Intel® Flex+ Points per quarter is 500 Intel® Flex+ points.

**Q10: What countries are participating in the rebate program?**

A10: See [Intel® vPro™ Technology Activation](#) Rebate main page for list of countries in this program.

**Q11: What hardware products qualify for this rebate?**

A11: Go to <http://www.intel.com/go/activate> for eligible hardware vendor products.

**Q12: If I already deployed an Intel vPro technology-based system and software solution to an end customer, can I still get a rebate?**

A12: Go to <http://www.intel.com/go/activate> for the specific hardware eligibility date range.
